

Got Bats?

The Skeena Community Bat Project is seeking volunteers for the Annual Bat Count.

No special skills required!

This citizen-science initiative encourages residents to count bats at local roost sites. Counts are done between June 1 and 21 before pups are born, and 1 - 2 more between July 11 and August 5 when pups are flying.

If you have a bat roost on your property and would like to participate, please email skeena@bcbats.ca or call 1-855-9BC-BATS ext 19.
