

# World Wetland Day Webinar

Date: Feb 2, 2021

Time: 10:00 - 12:30

Friends of Semiahmoo Bay Society is excited to host its 5th annual World Wetland Day event to raise awareness about the value of wetlands and the issues and conservation efforts taking place in Boundary Bay and the Fraser River Delta.

This event will look slightly different than previous years; hosted as a webinar for public safety during COVID-19, however, our speakers will cover a wide range of topics from wetlands to salmon, invasives and more!
